Chocolates Fundraiser

Total \$ received - \$26,000

Payment to World's Finest - \$15,060

Total Profit - \$10,940

Outstanding Boxes (52) = \$3,120

not yet returned and no money turned in

We paid the bill to World's Finest w/in 30 days so we receive 3% rebate back (\$450).

Booster Club would support this fundraiser again! We like the \$2⁰⁰ bars and the speciality boxes w/ mints + caramels.

We may consider moving the time of year for the future.

Ideas for Funds:

Covered area playground equipment, rainy-day recess supplies. We will ask for students,

staff parents for ideas. Initial research on covered area for blacktop would be approx. \$40-70,000. This would mean that we would need to save funds for 3-5 years for the project.

Awesome job Danielle Jensen! Thank you for ~~###~~ spear-heading this!!

Reminder to Teachers - USE YOUR PTO \$ - it's a use it or lose it!
