In the event of inclement weather, Medford Schools may call a 2 hour delay or a school closure for schools for the day.

If a 2 hour delay is called, buses will run two hours later than normal, and school will begin two hours later (9:55 a.m.). Besides your local radio and news stations announcing a delay, you can log on to the Medford School District website at www.medford.k12.or.us for information regarding a delayed start or a school closure.
