May 20th, 2021

May/June Calendar

- Spirit Day - Polka Dot Day - May 21st
- No School - Memorial Day - May 31st
- Jet Day - June 8th
- Last Day of School - June 9th

Getting in Shape with Ms. Henson

Thank you so much to Ms. Henson for getting the Mayor's Cup Run together for all of our wonderful students! Our school won first place in the Mayor's Cup competition and the Mayor of Medford came down and personally brought us the Mayor's Cup trophy. We were able to have every grade level participate in the run. Thank you to everyone's help and hard work! Keep up the amazing work Jets!

Family Communications for Summer

We let families know via Peachjar and the Family Bulletin on Friday about our Summer Experience. Please help spread the word. You can download [the flyer here](#) to include along with your family communication. Full details about summer experience including the calendar, schedules at-a-glance and the application [can be found here](#).

School Hours and Schedule

Now that we have all of our students back in the building, our schedules have shifted slightly. On Monday, Tuesday, Thursday and Friday our hours for 1st-6th are 7:50am-2:30pm and 7:50am-2:25pm for Kindergarten. On wednesdays all of our students are out at 1:00pm.

Pick Up and Drop Off

During pick up and drop off we want to make sure that our students safety is always a top priority. If you are dropping off or picking up your student from across the street please stress the importance of using the crosswalk and being aware of cars.

Mask Guidance Update

Dear Jefferson families, you may have received communication in regards to the new mask regulations. We just wanted to clarify that students and staff may have their masks off when outdoors. We are still socially distancing and masks are still required when indoors.

Message from our Principal

Dear Jefferson Families, as we are heading into the last part of the school year, I would like to thank everyone once again for staying positive, and always being willing to help, in a very difficult year.

At Jefferson we are trying hard to make school as "normal" as we can for our students, while keeping everyone safe and healthy--and the staff and students are doing a fantastic job! As always, if you have any questions or concerns, email, call, or stop by the office. We are here to help, support, and serve.
