Message from our Principal

It is hard to believe that the 20/21 school year is coming to an end. What a wild ride this year has been! As we head into summer, we want to wish everyone a fantastic break and hope you get to spend some quality time together as a family-- reading, playing, and going on adventures!

We've really missed our parent volunteers this year! We are looking forward to getting back to "normal" next fall.

If you are interested in being part of the Jefferson Booster Club (PTO) next year, (or even helping out with specific events), please fill out [this quick form](#), or contact Lisa North with questions. We can't wait to see you!
lisa.north@medford.k12.or.us

Changes at Jefferson

This year, we are saying goodbye to Scott MacLeod, Ashanti Parker, Michele Mccauley, Laura Meyer, Sarah Ford, and Calissa Penn.

We will miss them all greatly!

Jefferson will be welcoming for the 2021-2022 School Year:

Malorie Mitchell: 6th Grade

Lisa Willis: 5th Grade

Stephanie Gassman: 4th Grade, and

Ashtyn James: Social-emotional Advocate.

At Jefferson, we pride ourselves on being a family, and as we move forward, we would like to make sure we are helping each other any way we can, even through the summer! If you have a business that the Jefferson Community can support, we want to know about it so that we can advertise and send business your way. Please send an email to:

brad.smith@medford.k12.or.us and we will make sure to get the word out!

Sizzling Summer Science Activities

To get all of our Jefferson Jets off to a sizzling start this summer, all students will bring home a gallon bag with materials, supplies, and directions for 12 hands-on science activities! Enjoy!
