

INSURING AND REPLACING YOUR CHROMEBOOK

Chromebook Insurance

- Accidental Drop/Damage Insurance is offered by the district. This is an optional coverage that will cover costs associated with a school-issued device being damaged due to accidents.
- This coverage is not mandatory, but without it you are responsible for all costs associated with the repair or replacement of the device (up to \$320/device).
- The cost is \$20 per year and must be paid by September 30th or within two weeks of registration for new enrollees during the year.
- Manufacturer defects covered under warranty will not have an effect on insurance.

REPAIR COST COMPARISONS

	Cost WITH insurance	Cost without insurance
1st claim	No cost	Total cost of repair
2nd claim	Cost of repair up to \$50	Total cost of repair
3rd or more claim	Cost of repair up to \$100	Total cost of repair

REPLACEMENT COST COMPARISONS

	Cost WITH insurance	Cost without insurance
1st claim	No cost	\$300
2nd claim	\$150	\$300
3rd or more claim	\$300	\$300

Note: Families who experience economic challenges may request a fee waiver from their school's Main Office and still be placed into the insurance program.

Possible Additional Charges - These charges are per incident and do not count toward the tiered insurance cost or the maximum no insurance costs.

Removal of district labels: \$10
Placement of personal stickers on device: \$5
Power cord replacement: \$25

***The district reserves the right to charge for the entire replacement cost if negligence is determined, even with insurance. Examples of negligence include, but are not limited to, losing or willfully destroying your Chromebook.
