

## **PANTHER FUTURE CENTER**

The Panther Future Center implements comprehensive guidance to all students in the realm of college and career readiness planning. We provide support for all post-secondary options, including college, certificate programs, apprenticeship opportunities, the military, and direct-entry workforce. Students can participate in mentorship programs such as Trio and Aspire, join MPACT-the MSD Pre-Apprenticeship program, receive assistance with college selection, applications, and scholarships, and be connected with military and industry partners to explore those options. For more information, please visit our website at [www.medford.k12.or.us/Domain/963](http://www.medford.k12.or.us/Domain/963).

The **Scholarship Director** seeks, announces and posts scholarship opportunities for all grade levels with a focus on seniors. Services include working with individuals, families and groups of students in applying for and financing a post high school education.

Contact Robyn Kondziela at 541-842-1408 ([www.medford.k12.or.us/Page/2387](http://www.medford.k12.or.us/Page/2387)).

The **ASPIRE Coordinator** seeks and trains local community mentors to work one-on-one with students, helping them with various activities such as academic preparation, scholarship search and application, career exploration, college choice and college applications.

Contact Stacy Carle at 541-842-1417 ([www.medford.k12.or.us/Page/1691](http://www.medford.k12.or.us/Page/1691)).

The **TRiO Coordinator** supports and motivates low-income, first-generation college students for success in high school while also preparing for college. TRiO ETS participants receive college, career, and financial aid information, academic advising, and educational field trips in preparation for their next step after high school and to achieve their dream of attending college.

Contact Angel Garcia 541-842-5363 ([www.medford.k12.or.us/Page/1692](http://www.medford.k12.or.us/Page/1692)).

The **MPACT Coordinator** partners with the MSD MPACT Pre-Apprenticeship program to prepare students for careers in the construction trades, such as electrical, plumbing, residential/commercial construction, and heating/air conditioning. MPACT is designed to help students build the necessary skills to meet the entry qualifications needed to enter an apprenticeship program or the workforce.
